Application for inclusion in the regional list of available professionals in possession of the requirements for the temporary practice of the health profession of nurse and surgeon who intend to practice in the regional territory, the profession regulated by specific directives of the European Union on the basis of a qualification obtained abroad. Article 15 Law Decree March 30/2023, No. 34.

Whereas:

- Article 15, paragraph 1, of Law Decree No. 34 of 30/03/2025 provides that in order to cope with the serious shortage of healthcare personnel in the national territory, until 31/12/2005 the temporary exercise of work in the national territory is permitted by way of derogation from Articles 49 and 50 of the regulation referred to in the Presidential Decree of 31/08/1999, No. 394, and the provisions of Legislative Decree No. 206 of 09/11/2007, to those who intend to practice in public or private accredited healthcare or social healthcare interest referred to in Article 1, paragraph 2, of Law No. 43 of 01/02/2006, on the basis of a professional qualification obtained abroad;
- The same provision, in paragraph 2, provides that within 90 days of the entry into force of the law with an agreement to be adopted in the Permanent Conference for relations between the State, the Regions and Province Autonome di Trento e Bolzano, the regulations for the temporary exercise of the work activity referred to paragraph 1 shall be defined.
- The aforementioned provision, in paragraph 3, also provides that until the adoption of the agreement referred to in paragraph 2), and in any case no later than six months after the entry into force of this law, the provisions set forth in Article 6-bis of Law Decree No. 105 of 23 July 2021, converted into law, with amendments, by Law No. 126 of 16 September 2021, and in Article 13 of Law Decree No. 18 of 17 March 2020, converted into law, with amendments, by Law No. 27 of 24 April 2020, shall apply.

This notice, in the application of the aforementioned regulations, is aimed at the temporary recruitment of professionals in possession of the qualification of surgeon and nurse who intend to exercise on the regional territory the relative profession, regulated by specific directives of the European Union based on a qualification obtained abroad.

Interested professional may submit their expression of interest, accompanied by a certificate of enrolment in the professional register their country of origin and by the additional documentation as detailed in paragraph 2) of this notice.

This notice, together with its annexes, replaces in its entirety the notice approved by determination No. 350 of 22 April 2022.

1) Effects

The expression of interest is valid for the coverage of any care needs that may arise at the Sardinian health authorities and accredited or authorized private health and social care facilities, such as, in particular, residential facilities for the elderly, disabled, minors, psychiatric and addiction facilities forming part of the network of the Regione Autonoma della Sardegna, with regard to the recruitment of professionals with the qualification of nurse and surgeon.

The submission of the expression of interest by professionals constitutes a prerequisite for the possible establishment of a professional relationship but is not binding for the public and private health and social health structures concerned by this procedure.

The competent offices, after verifying the correct filling in the application and the presence of the required annexes as specified below, will make available the names of interested professionals to the Local Health

Once they have been placed on the temporary list, applicants must notify any subsequent conclusion of the employment contract, together with the expiry date, to the following e-mail address in order to update their position: dmeloni@regione.sardegna.it – mpau@regione.sardegna.it

4) Time limits of the proceedings.

The procedure in question is at the request of a party, starts from the date of receipt of the request by the interested party, and ends within 30 days with an express final decision.

The 30-day time limit may be suspended, for a single occasion and for a period not exceeding 30 days, for the acquisition of information or certifications relating to facts, states or qualities not attested in documents already in the possession of the public administration itself or not directly obtainable from other public administrations.

The communication of the reasons preventing the application from being granted, adopted by the person in charge of the proceedings pursuant to Article 10-bis of Law No. 241/1990, suspends the time limits for the conclusion of the proceedings.

Within a period of 10 days from receipt of the notice, the applicants have the right to submit their observations in writing, possibly accompanied by documents.

The notification referred to in the first sentence suspends the time limits for the conclusion of the proceedings, which shall start running again ten days after the submission of the observations or, in the absence thereof, from the expiry of the time limit referred to in the second sentence.

In any case, express reference is made to the provisions of Article 29 of Law 241/90, as amended and supplemented.
