

General Direction
Green Energy and Economy Sector

**finMED - Boosting the financing of innovation for green growth sectors
through innovative clusters services in the MED area**

**PUBLIC CALL FOR EXPRESSION OF INTEREST:
PARTICIPATION TO B2F
(WP5.2)**

The Autonomous Region of Sardinia, Industry Department, Green Energy and Economy Service - invites financial institutions and entities, banks, investment funds, business angels to participate to Business2Finance meetings (B2Fs) scheduled in the finMED project, funded by Interreg MED 2014 -2020.

The B2Fs – scheduled for next weeks – aim at facilitating the match between financial products and services available with the needs of local SMEs working in the Green Economy field and willing to invest in innovation. Preference will be given to those who already have financial products dedicated to innovation and/or the green economy as part of their portfolio.

To join the initiative, interested entities must fill in the downloadable application in attach and send it by email to the following address: finmed@regione.sardegna.it

The calendar of B2F meetings will be defined and shared in the coming weeks.

For more information, please contact the project manager Mrs. Federica Todde at the following email address: finmed@regione.sardegna.it

The Autonomous Region of Sardinia – Industry Department, Green Energy and Economy Service is partner of finMED project, funded by Interreg MED 2014 -2020. finMED involves 15 partners from 9 Mediterranean countries, which include regional authorities, agencies, cluster organizations, chambers of commerce, universities and research centers, development agencies. The aim of the project is to support the financing of innovation in green growth sectors by improving policies and strategies and introducing innovative cluster services for the benefit of SMEs
